Sir,

Referring to my No 808 of the 16th ult. regarding the interchange of rail between the Canadian Northern Railway Company and the Temiskaming & Northern Ontario Railway Company, I am in receipt of the following communication from the Secretary of the Board of Railway Commissioners for Canada, dated 12th November 1916, under file reference

9 Ground rates of rent are levied from persons whose income is Rupees 200 and above. Other rooms in the chawls are assessed by Government for the assumption of Government servants the Government have also taken powers to enhance rent.

2 As regard to the large extensions in course of construction between the original rooms and the additional accommodation and also in the case of the rooms which are not yet completed from the Secretary's point of view, the Secretary's decision is that the enhanced rent, travellers are quite fair to pay.

3 In the case of travellers whose income is Rupees 200 and above, per month, the original assessment or the present rate to be the normal rent still have a good; hence the reference to keep upstairs of double rate of three annas for each room in the Secretary's letter referred to above.

4 As the management of the chawls
